- DVD-ROM drive for installation
- USB for dongle or network connection for FLEXIm floating licence server
- 3 button generic mouse with wheel
- 17" or bigger screen

* Maptek recommends 64 bit version for the operating system. The 32 bit English language version of Microsoft Excel® 2007-2010 is required for full Chronos menu functionality.

** Vulcan works on both 32 and 64 bit operating systems as a 32 bit application.
